

# Corporate Partners Program

## Where else can you make a difference that will still be here 100 years from now?

**Thank you for being a leader in the community.** As an employer, you recognize the value that the **quality of life in our region** affords you, your employees, and your customers. You now have an opportunity to leave a **lasting mark in your community** by investing in the only local land trust serving the Richmond region.

The Capital Region Land Conservancy (CRLC) is dedicated solely to serving landowners in the City of Richmond and Charles City, Chesterfield, Goochland, Hanover, Henrico, New Kent, and Powhatan counties. Our mission is to conserve and protect the natural and historic land and water resources of Virginia's Capital Region for the benefit of current and future generations.

**CRLC has helped protect more than 10,000 acres that includes fee simple ownership of 380 acres** as well as easements on more than 2,200 acres. Our easements include over 43 miles of stream and river frontage. Our diverse programs work to preserve open space and historic resources, provide capital to working farms and forests, and protect our region's air and water quality. Our efforts have also produced more than **1,200 acres of parks and publicly accessible land**. Yet land conservation, specifically easements, require the **voluntary act of the landowner** and must conform to the **local comprehensive plan**.

To achieve our goal of **5% of our region's land permanently protected**, CRLC collaborates with state and national agencies, local government, and many other conservation organizations to preserve lands in the most **efficient and cost-effective** ways possible. However, CRLC depends on private gifts, personal and corporate, to lay the foundation with potential landowners. **Your business can be one of our partners and will be recognized for helping CRLC "Protect the Places and Land You Love."**

**CRLC works to keep a way of life and supports Virginia's top 3 industries – Agriculture, Tourism, Forestry – through the preservation of working farms and forests as well as the protection of natural areas in our region that help improve air and water quality.**

**CRLC is non profit, tax exempt charitable organization under Section 501(c)3 of the Internal Revenue Code. Donations are tax-deductible as allowable by law.**

**The Capital Region Land Conservancy (CRLC), the only non-profit organization devoted specifically to the conservation of land within Virginia's Capital Region, invites you to support our work, our many events and activities by becoming a Corporate Partner.**

**Corporate Partners provide unrestricted annual support for CRLC's many education and outreach efforts in our community. Such support is critical in reaching landowners and completing the formal process necessary to record a conservation easement.**
